- **Title:** The Time Machine  
**Author:** H.G. Wells  
**Price:** Price not available  
**Description:** **The H.G. Wells classic that helped launch the time travel genre.**

The Time Traveller, a dreamer obsessed with traveling through time, builds himself a time machine and, much to his surprise, travels over 800,000 years into the future. He lands in the year 802701: the world has been transformed by a society living in apparent harmony and bliss, but as the Traveler stays in the future he discovers a hidden barbaric and depraved subterranean class.

*The Time Machine* inspired the international bestseller *The Map of Time* by Félix J. Palma. As a gift to our readers, we are including the first three chapters of *The Map of Time* in this ebook edition.

- **Title:** The Wonderful Wizard of Oz  
**Author:** L. Frank Baum  
**Price:** Price not available  
**Description:** An Apple Books Classic edition.

You've seen the iconic 1939 movie, but do you know about the talking field mice, the Winkies, and the Witch of the North that appear in the original book? L. Frank Baum's beloved classic - the first title in the Oz series - is more complex and intricate than the movie, but just as colorful and fun. The story features a large cast of enchanting characters and a thrilling heroic quest.

Upon the book's release in 1900, Baum wrote, "It aspires to be a modernized fairy tale, in which the wonderment and joy are retained and the heart-aches and nightmares are left out." Mission accomplished. Readers of all ages immediately fell in love with the story, demanding sequels, and Baum obliged, penning more than a dozen installments before his death in 1919.

- **Title:** The Way of Kings

**Author:** Brandon Sanderson

**Price:** Price not available

**Description:** From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive, begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by overpowering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. **Description:** **NOW THE ACCLAIMED HBO SERIES *GAME OF THRONES*—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON**

Here is the first book in the landmark series that has redefined imaginative fiction and become a modern masterpiece.

**A GAME OF THRONES**

In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the North of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens. Amid plots and counterplots, tragedy and betrayal, victory and terror, the fate of the Starks, their allies, and their enemies hangs perilously in the balance, as each endeavors to win that deadliest of conflicts: the game of thrones.

- **Title:** Turned (Book #1 in the Vampire Journals)

**Author:** Morgan Rice

**Price:** Price not available

**Description:** "TURNED is a book to rival TWILIGHT and VAMPIRE DIARIES, and one that will have you wanting to keep reading until the very last page! If you are into adventure, love and vampires this book is the one for you!"

--Vampirebooksite.com

The #1 Bestseller!

TURNED is book #1 in the #1 Bestselling series THE VAMPIRE JOURNALS, which includes eleven books (and counting).

In TURNED (Book #1 of the Vampire Journals), 18 year old Caitlin Paine finds herself uprooted from her nice suburb and forced to attend a dangerous New York City high school when her Mom moves again. The one ray of light in her new surroundings is Jonah, a new classmate who takes an instant liking to her.

But before their romance can blossom, Caitlin suddenly finds herself changing. She is overcome by a superhuman strength, a sensitivity to light, a desire to feed--by feelings she does not understand. She seeks answers to what's happening to her, and her cravings lead her to the wrong place at the wrong time. Her eyes are opened to a hidden world, right beneath her feet, thriving underground in New York City. She finds herself caught between two dangerous covens, right in the middle of a vampire war.

It is at this moment that Caitlin meets Caleb, a mysterious and powerful vampire who rescues her from the dark forces. He needs her to help lead him to the legendary lost

artifact. And she needs him for answers, and for protection. Together, they will need to answer one crucial question: who was her real father?

But Caitlin finds herself caught between two men as something else arises between them: a forbidden love. A love between the races that will risk both of their lives, and will force them to decide whether to risk it all for each other...

"TURNED is an ideal story for young readers. Morgan Rice did a good job spinning an interesting twist on what could have been a typical vampire tale. Refreshing and unique, TURNED has the classic elements found in many Young Adult paranormal stories. Book #1 of the Vampire Journals Series focuses around one girl...one extraordinary girl!...TURNED is easy to read but extremely fast-paced....Recommended for anyone who likes to read soft paranormal romances. Rated PG."

--The Romance Reviews

"TURNED grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found. Morgan Rice did an awesome job bringing the reader into the story. She also made it easy to root for Caitlin and want desperately to her succeed in finding her truth....I will be looking forward to the second book in the series."

- **Title:** Through the Looking-Glass  
**Author:** Lewis Carroll  
**Price:** Price not available  
**Description:** An Apple Books Classics edition.

Travel back to Wonderland in Lewis's acclaimed sequel to *Alice's Adventures in Wonderland*. When Alice's game of "Let's pretend" turns real, she finds herself stepping through a looking glass into a mirror image of her home—except here, nothing is as it seems, and her fireplace is filled with living chess pieces. Overjoyed to be back, Alice rushes outside and finds her garden alive with talking flowers. And that's just the beginning. Readers are introduced to Tweedledee and Tweedledum and Humpty Dumpty, who is an actual egg. The poems "Jabberwocky" and "The Carpenter and the Walrus" appear for the first time in print. While scholars poured over their meaning, readers continue to soak up Lewis's nonsensical humor and satirical style.

When Alice joins the living chess game, she must strategize if she wants to become a Queen. But in a land where time moves backwards, and dreams blend disconcertingly with reality...is that even possible? Find out in *Through the Looking Glass*, the sequel that has left an even more indelible mark on pop culture than its predecessor.

- **Title:** The Jungle Book

**Author:** Rudyard Kipling

**Price:** Price not available

**Description:** An Apple Books Classic edition.

Although most of *The Jungle Book* is set in India - where Rudyard Kipling spent much of his early life - he actually wrote this beloved story collection in Vermont. The most famous of the book's seven stories feature Mowgli, a boy raised by a wolf pack and mentored by head wolf Akela, who teaches his human charge to survive and even thrive in the jungle. But when Mowgli eventually finds himself in human company again, he's treated as an outsider and feared for his differences. Eventually, Mowgli uses his experiences to try and help the villagers and the animals co-exist in peace.

Many people got to know *The Jungle Book* through the Disney adaptation - and the story's messages continue to be relevant today. More than just an all-ages adventure tale filled with talking animals, Kipling's classic is a metaphor for acceptance and a touching exploration of themes of revenge, loyalty, and family.

- **Title:** Divergent

**Author:** Veronica Roth

**Price:** Price not available

**Description:** This first book in Veronica Roth's #1 New York Times bestselling Divergent series of books is the novel that inspired the major motion picture starring Shailene Woodley, Theo James, and Kate Winslet. This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers.

Perfect for fans of the Hunger Games and Maze Runner series, *Divergent* and its sequels, *Insurgent* and *Allegiant*, are the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. Fans of the *Divergent* movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich language.

One choice can transform you. Beatrice Prior's society is divided into five factions—Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions.

Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous.

And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!*
