- **Title:** The Art of War  
**Author:** Sun Tzu  
**Price:** Price not available  
**Description:** An Apple Books Classic edition.

It's believed that Sun Tzu wrote this Chinese military primer during the 5th century BC—hundreds of years before the Bible. The book's 13 chapters explore principles that statesmen around the globe have employed for centuries to defeat their enemies at war.

Sun Tzu starts by mapping out the five fundamental factors that lead to war. He then covers a wide range of topics, from avoiding conflict altogether to strategically positioning soldiers, pulling off tactical maneuvers, and putting spies to use.

Despite the technological advances made since *The Art of War* was published, Sun Tzu is

still considered one of history's foremost military strategists, and his methods still ring true. While he wrote the book as a manual for those who would literally wield swords, it has reached a much broader audience in this day and age. Warriors of all kinds-like corporate leaders or athletes-look out Sun Tzu's wisdom in their quest for success.

- **Title:** The Time Machine

**Author:** H.G. Wells

**Price:** Price not available

**Description:** **The H.G. Wells classic that helped launch the time travel genre.**

The Time Traveller, a dreamer obsessed with traveling through time, builds himself a time machine and, much to his surprise, travels over 800,000 years into the future. He lands in the year 802701: the world has been transformed by a society living in apparent harmony and bliss, but as the Traveler stays in the future he discovers a hidden barbaric and depraved subterranean class.

*The Time Machine* inspired the international bestseller *The Map of Time* by Félix J. Palma. As a gift to our readers, we are including the first three chapters of *The Map of Time* in this ebook edition.

- **Title:** Pride and Prejudice

**Author:** Jane Austen

**Price:** Price not available

**Description:** An Apple Books Classic edition.

Jane Austen's beloved classic opens with this witty and very memorable line: "It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife." With all the twists and turns of a soap opera, *Pride and Prejudice* chronicles the drama that ensues when the wealthy bachelor Mr. Darcy moves close to the Bennet family home in the English countryside. The news of his arrival sends the socially ambitious Mrs. Bennet-whose main concern is finding suitable matches for her five daughters-into overdrive.

The book's main character, the high-spirited Elizabeth Bennet, is a strikingly modern heroine: a woman who refuses to lower her expectations or transform herself to suit society's norms. Austen's novel achieves a remarkable balance, serving up barbed criticism of the obsession with money, status, and matrimony even as it draws us into a swoon-worthy love story. At its heart, *Pride and Prejudice* is a romantic comedy, and a darned great one at that. It's so much fun to turn the pages and wonder about Elizabeth and Mr. Darcy: Will they or won't they overcome their excessive pride and initial prejudices to make a happily-ever-after connection?

- **Title:** The Ugly Duckling  
**Author:** Hans Christian Andersen  
**Price:** Price not available  
**Description:** A classic story by Hans Christian Andersen in its original text presented with modern illustrations.

The story of how a little bird endures the abuses and miseries as he was growing up not realizing he would mature into a beautiful swan. It's a great tale about personal transformation for the better.

- **Title:** Grimm's Fairy Tales  
**Author:** The Brothers Grimm  
**Price:** Price not available  
**Description:** From the land of fantastical castles, vast lakes and deep forests, the Brothers Grimm collected a treasury of enchanting folk and fairy stories full of giants and dwarfs, witches and princesses, magical beasts and cunning children. From classics such as "The Frog-Prince" and "Hansel and Grettel" to the delights of "Ashputtel" or "Old Sultan", all hold a timeless magic which has enthralled children for centuries.

- **Title:** The Scarlet Letter  
**Author:** Nathaniel Hawthorne  
**Price:** Price not available  
**Description:** An Apple Books Classic edition.

Hester Prynne lives in infamy. After committing adultery and bearing a child with a man whose name she refuses to divulge, the heroine of Nathaniel Hawthorne's novel is forced to wear a scarlet A to mark her shame for all to see.

Hawthorne's American classic reflects the Puritan mindset of Boston in the 1600s, where public humiliation was acceptable punishment for a woman who bucked the norms. Never mind that Hester's husband was widely believed to have died at sea and that Hester and her daughter are living a quiet life of good deeds in their little cottage outside town. Someone wants revenge-and will stop at nothing to get it.

*The Scarlet Letter* incorporates supernatural elements with historical fiction. It's a dark tale of sin and redemption with an unforgettable heroine whose story continues to fascinate readers and inspire film adaptations.

- **Title:** Wuthering Heights

**Author:** Emily Brontë

**Price:** Price not available

**Description:** An Apple Books Classic edition.

If you've only ever seen *Wuthering Heights* on screen, you may have an image of Catherine and Heathcliff as the ultimate star-crossed lovers. But that's just scratching the surface of this iconic Gothic romance. Emily Brontë's only novel is an unabashedly dark tale of passion and revenge that created shockwaves upon its publication in 1847.

Without spoiling too much, the original Heathcliff is breathtakingly vengeful, cruel, and possessive, not the deeply misunderstood romantic hero of some adaptations. And Brontë's story does not end happily ever after. After tragedy strikes, Heathcliff haunts the swirling mists of the Yorkshire moors, consumed with possessing a ghost. A must-read for fans of Gothic literature, this novel will appeal to anyone who loves a creepy story.

- **Title:** Peter Pan

**Author:** J.M. Barrie

**Price:** Price not available

**Description:** An Apple Books Classic edition.

Lose yourself in the pages of J.M. Barrie's beloved story about Neverland, the Lost Boys, and Tinkerbell. The book begins with older sister Wendy reading to her siblings, while Peter Pan and Tink peer in through the window. But when these magical visitors are spotted, the window slams shut, trapping Peter's shadow inside!

So begins the enchanted adventure of Wendy, John, and Michael Darling, who fly through the night to Neverland—a place of fairies, magical birds, and eternal youth. But danger lurks here, too, in the form of the vengeful Captain Hook and his band of pirates. This timeless tale invites us to escape to the idyllic and fantastical realm of childhood...no matter our age.

- **Title:** Diary of a Wimpy Kid

**Author:** Jeff Kinney

**Price:** Price not available

**Description:** *Boys don't keep diaries--or do they?*

*The launch of an exciting and innovatively illustrated new series narrated by an unforgettable kid every family can relate to.*

It's a new school year, and Greg Heffley finds himself thrust into middle school, where undersized weaklings share the hallways with kids who are taller, meaner, and already

shaving. The hazards of growing up before you're ready are uniquely revealed through words and drawings as Greg records them in his diary.

In book one of this debut series, Greg is happy to have Rowley, his sidekick, along for the ride. But when Rowley's star starts to rise, Greg tries to use his best friend's newfound popularity to his own advantage, kicking off a chain of events that will test their friendship in hilarious fashion.

Author/illustrator Jeff Kinney recalls the growing pains of school life and introduces a new kind of hero who epitomizes the challenges of being a kid. As Greg says in his diary, "Just don't expect me to be all 'Dear Diary' this and 'Dear Diary' that." Luckily for us, what Greg Heffley says he won't do and what he actually does are two very different things.

- **Title:** The Odyssey

**Author:** Homer

**Price:** Price not available

**Description:** An Apple Books Classic edition.

Homer's eighth-century epic poem is a companion to *The Iliad*. It tells the story of Odysseus, who journeys by ship for 10 years after the Trojan War, trying to make his way back home to Ithaca. Homer's work was intended to be performed out loud, so it's a masterful example of poetic meter and rhythm. But above all, *The Odyssey* is a story of adventure-and true love.

Odysseus has been gone for 20 years, and he longs to reclaim his role as king and reunite with his beloved, faithful Queen Penelope. During his absence, hundreds of suitors have eaten his food, lived in his home, and even plotted to kill his son. But before he can confront his enemies at home, Odysseus must fight a cyclops, escape after being

imprisoned by a lovesick nymph, and confront the twin terrors of Scylla and Charybdis. As if that wasn't enough, the gods take their grudges out on him, adding obstacles to suit their whims. Will Odysseus ever get home? And what will he find once he does? Within the pages of this ancient Greek classic are the origins for many of the myths we're familiar with today. Pick up a copy and meet Odysseus, Homer's timeless hero.
